I have since got from the Chairman, Municipal Council, particulars of the outlay on the work. They are as under:-

Purchase of sluice valve and surface boxes.	Rs 1425--0-0
Purchase of waste not cocks, stop cocks, G. I. pipes, spun yarn, etc.	Rs 1555-13-3
Purchase of lead for jointing.	Rs 1872-14-8
Railway freight on pipe consignment.	Rs 843--0-0
Total.	5696-11-11

The pipes got for the work were inspected by me some months back and were found unsatisfactory. The Chairman, Municipal Council, has since rejected these pipes and arranged to get other pipes instead. The expenditure incurred on the railway freight for transport of the unsatisfactory pipes cannot be accepted. A moiety grant of Rs 2427 i.e. half of (5696-11-11 -- 843-0-0) on the other items may be disbursed.

On the C.B.E for 1930-'31, there is a provision of Rs 29,000 under "41.g. Civil Works - Grants-in-aid" for a grant to the Bellary Municipal Council towards the Water supply extension scheme (Bmcpal scheme)

See Ref^

page 26, 27 (m) para: 2 of G.O. 595 PH 15.2.30

It is now proposed to disburse a grant of Rs 2,427.

2. The work is carried out by Municipal Agency and the expenditure should therefore be debited to "33. Public Health - Grants-in-aid"

The proposal involves a reappropriation of funds from "41. Civil Works" to "33. Public Health". It is however too late now to sanction the reappropriation — see para 3 of G.O. 717 Fin dt 10-11-30.

Submitted that L.S.G may be informed accordingly.
